RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Dear Sir:

In an Office Action dated March 2, 2005, the Legal Instruments (LI) Examiner indicated that the Abstract must be presented on a separate sheet. Accordingly, a separate sheet containing the abstract is attached hereto. The LI Examiner further indicated that the abstract should show marked up changes relative to the immediate prior version. However, the immediate prior version has been completely re-written by the new abstract, because the new abstract is for this divisional application. Hence a marked up version of the abstract is not provided. Moreover, page 2 of the previously filed amendment is attached herewith, without the abstract at the bottom of this page.

The LI Examiner also indicated that a complete listing of all claims, including cancelled claims 1-20 needs to be presented in the section on claim amendments. Accordingly, attached hereto is a replacement set of pages 3-7 of the previously filed amendment, which have been revised on page 3 as requested.

Should there be any questions concerning this paper, the Examiner is invited to call the undersigned at (408) 982-8200, ext. 3.

CERTIFICATE OF FACSIMILE TRANSMISSION
